Issued: 20 Nov 2013  
Number L&D-BUL-34-2013

## *Rail Safety Worker Competency Matrix Update – error correction*

The purpose of this bulletin is to advise Metro employees and contractors of the changes to Metro's competency matrices to reflect the release of the ARA roles from 15 Nov 2013.

### **Version Status**

With the release of the ARA Civil Plant, Civil Trade and the Around The Track Person roles Metro has updated the affected Metro matrixes. Refer to the following link for further information and a list of questions and answers <http://railindustryworker.com.au/news/ara-matrix-first-three-roles-effective-from-15-november-2013>.

If you're selecting a Civil Plant, Civil Trade or the Around The Track Person role you must select and comply with the ARA role. Once you comply with the requirements of these roles it will be recognised by Metro.
