Information Sessions – Track Force Protection Changes

Metro Academy will be holding information sessions on the changes to Track Force Protection Coordinator (TFPC) training. The purpose of the sessions is to provide an overview on the following items so that there is a clear understanding of the ongoing requirements for TFPC training.

1. Outline why the changes were made
2. The new structure and pre-requisite requirements
3. Details of the changes (TFPC 3.1-3.3)
4. Assessments (theory and practical)
5. Renewal training update
6. Future state training

Who is the target audience?

- Managers of Safeworking personnel
- Safeworking labour hire companies
- Safety personnel

When & Where are the information sessions being held?

- January 31st 0930-1200 Metro Academy
