To log on to The Platform - https://metrotrains.csod.com/

If this is the first time you are logging in, you may be prompted to change your password. You may also need to change your password if it has expired. Go to the next page to learn how to change your password.

Platform you must

Change password		
Your password has expired. Please change your password.		
The new password must match the following criteria:		
<ul> <li>* Passwords must contain both upper and lower case letters</li> <li>* Passwords must contain alpha and numeric characters</li> <li>* Passwords cannot have three or more consecutive characters the same</li> <li>* Passwords cannot be the same as the previous 8 passwords</li> <li>* Passwords must be 8 - 20 characters</li> <li>* Passwords cannot have leading or trailing spaces</li> <li>* Passwords cannot be the same as the Username, User ID or e-mail address.</li> </ul>	1	Read the password creation criteria.
Change your password Current password	2	Enter your current password / password provided.
New password Confirm password	3	Create a valid <b>new password</b> , that meets the password creation criteria.
	4	Re-enter the created password for confirmation.
		Click Cove to

5 Click Save to complete.

# Search for a Training Course

1 Locate the search bar (top right corner of Welcome page).

- 2 Type the course that you are looking for in the search bar.
- **3** The results are displayed under the search bar.

If you have selected a course using the above method, you can skip **steps 4-8**. For a more detailed search, you can utilise the **Global search** function.

4 To access **Global search**, click on the **Search** icon located on the top right of the window.

Training courses can be browsed for in the **Training results**, as shown in the below image. To search for a specific training course, go to step 6.
