

CHESTER STREET CAR PARK

LXRA PARKING ARRANGEMENT ENDING SATURDAY 23 JUNE 2018

The car park located on Chester Street near Moonee Ponds Station will no longer be used as Essendon Station replacement parking from Saturday 23 June.

Up to 100 alternative car spaces have been arranged near Moreland Station on the Upfield line.

Rail passengers can continue to park for free in the alternative car park near Moreland Station (off Cameron Street) until December 2018.

We thank you for your patience while we complete works on the Craigieburn line.
