

Metro Subject Matter Experts (SME) Signals, Control Systems, Communications and Signals Project Roles

The purpose of this Bulletin is to inform all Rail Safety Workers (RSW) of a change related to the Signals, Control Systems, Communications, Signals Project Manager, Signal Project Engineering and Rail Systems roles.

The change relates to the SME roles, all RSW's whom are wishing to be recognised as SME within the RIW competency management system must formally apply and be approved by **1st February 2019**.

Applications should comply with "L1-CHE-MAN-003 Signals Rail Safety Worker Competence Version 3", issued: February 2018 and appendix One.

All existing SME's will be recognised until that date.
