# Changes to Parking at Essendon Station

From Friday 21 December 2018

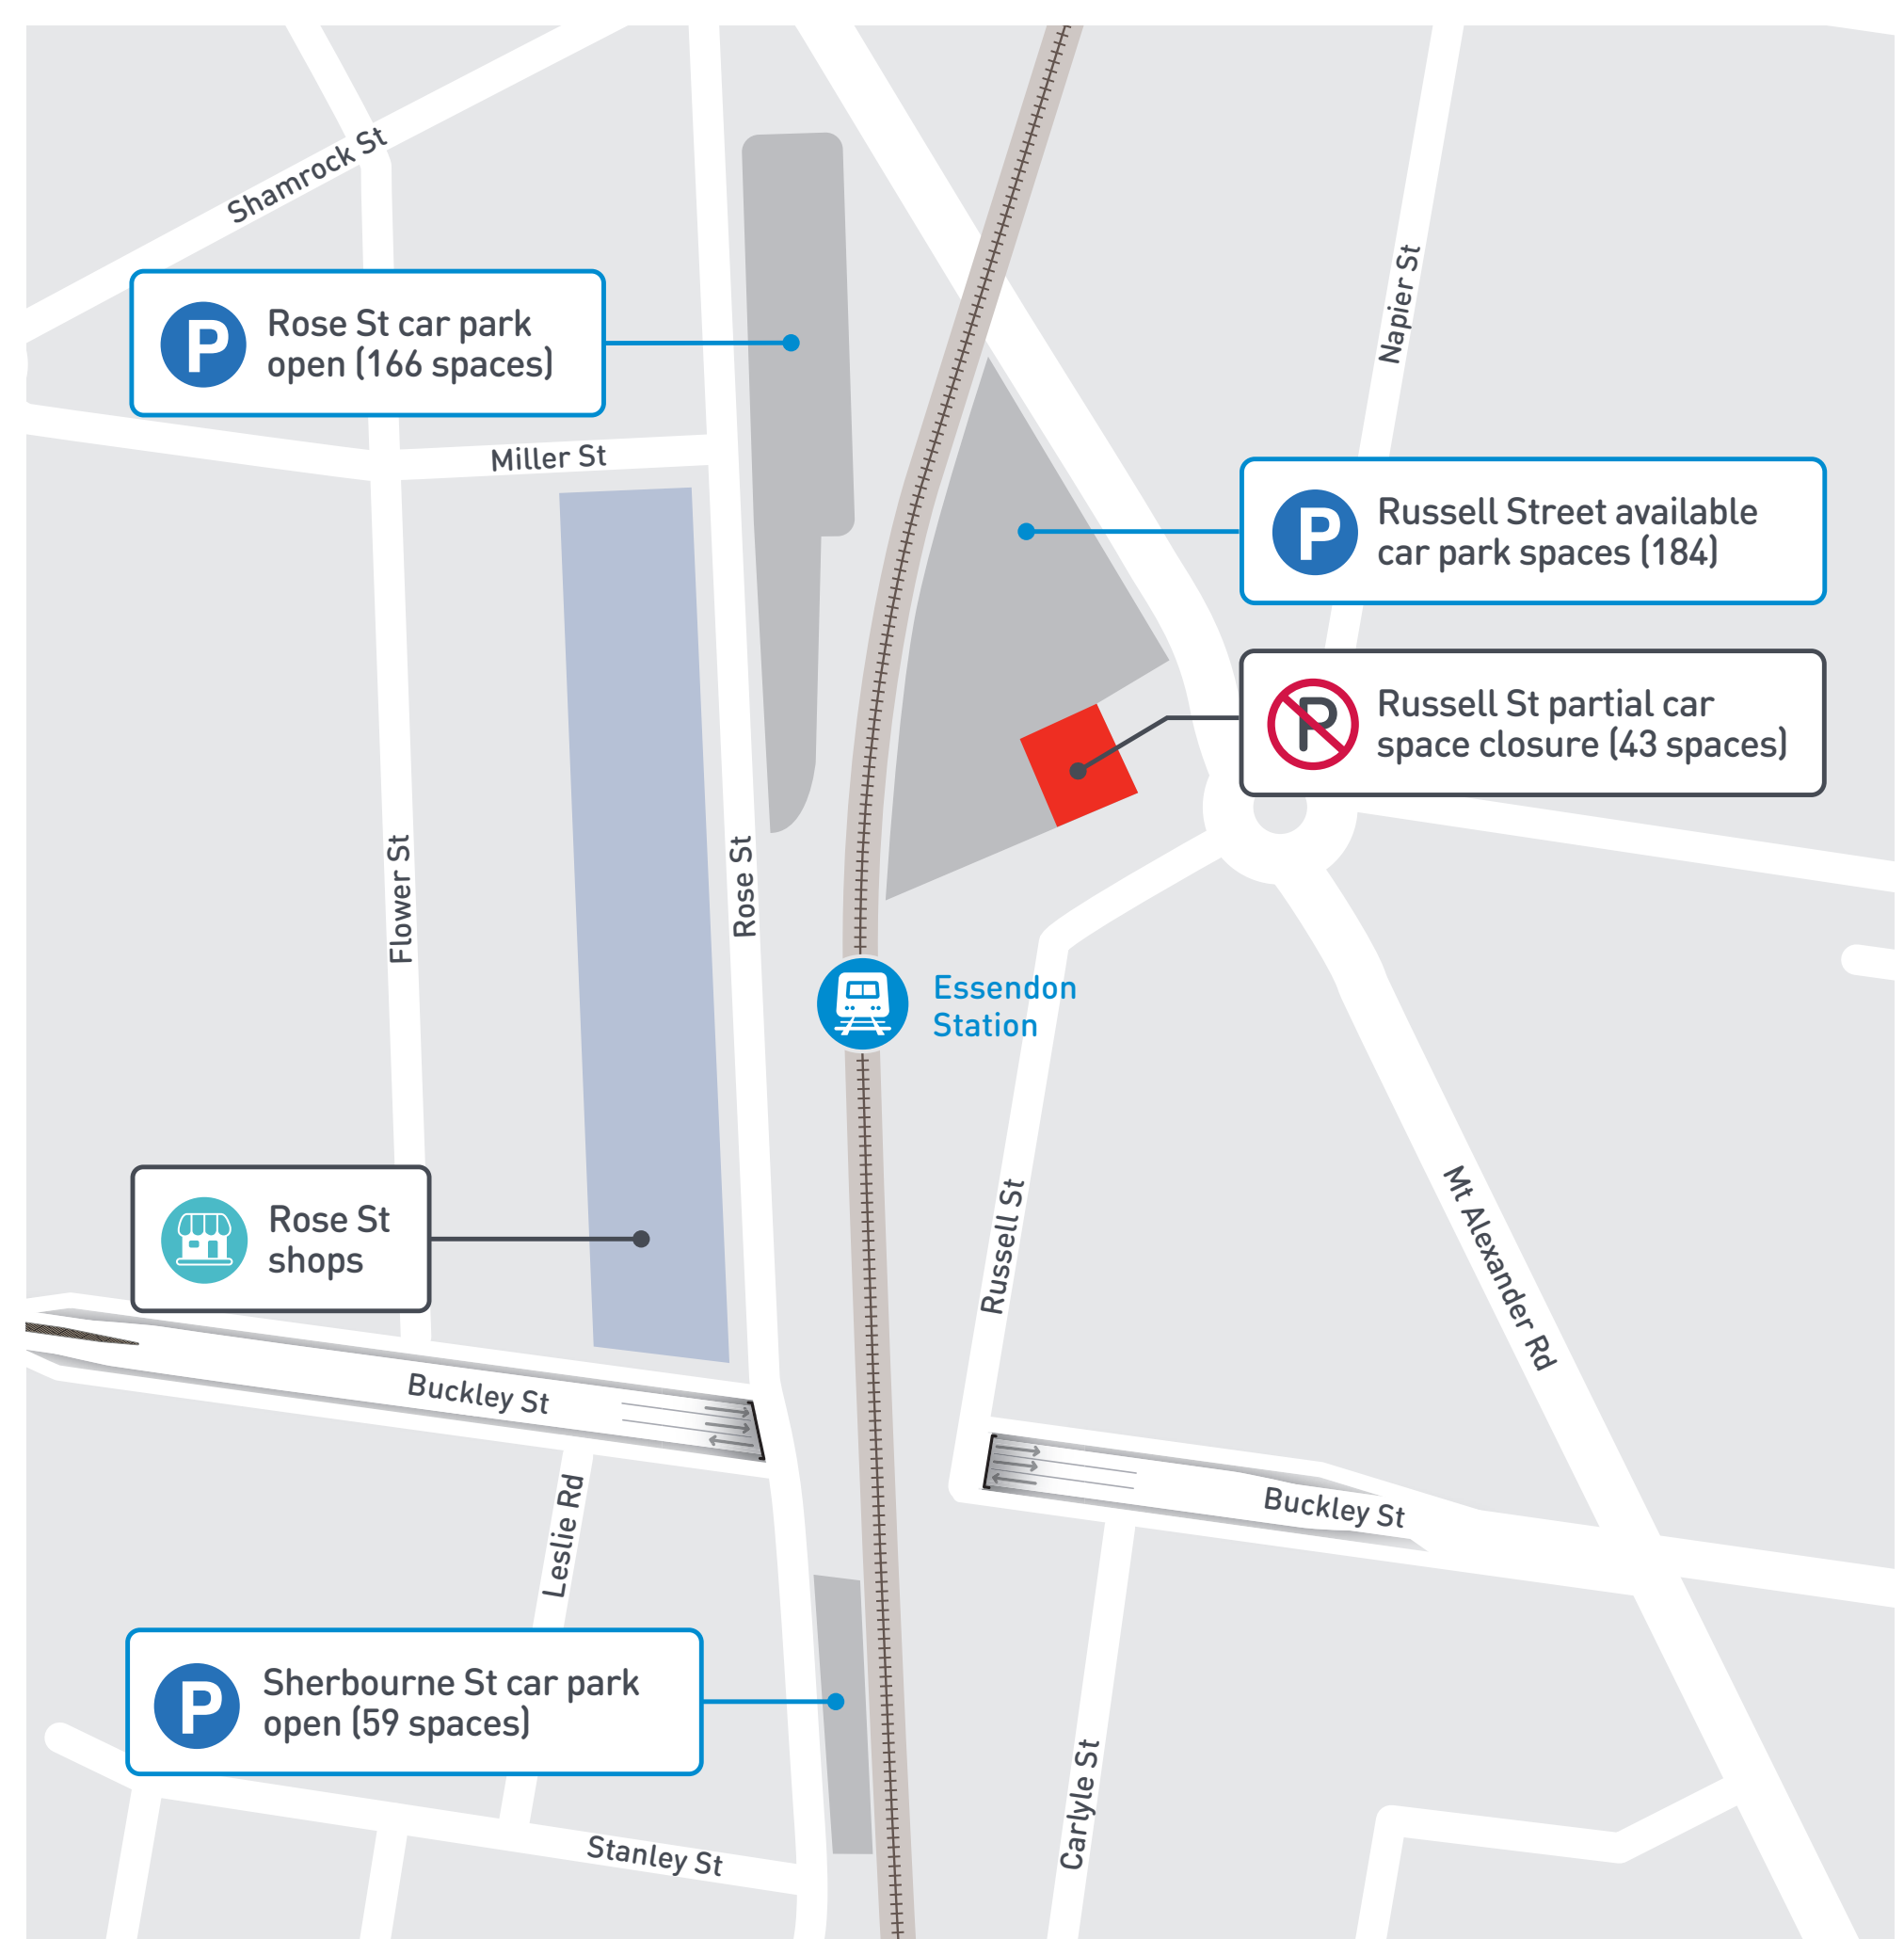

From Friday 21 December 2018, 184 parking spaces will be returned to passengers in Russell Street.

A small section of the Russell Street car park will remain temporarily closed (up to 43 spaces) while finishing touches are carried out on the Buckley Street Level Crossing Removal Project.

Further spaces around the station precinct will be returned progressively throughout 2019.

Please observe all safety signage and instructions in place.

Thank you for your patience and understanding while we complete works in and around the Essendon Station precinct.
