Car park and on-street parking changes

Car park closures and on-street parking changes will be in place on the Sunbury Line at stations between Flagstaff and Sunshine for the safe operation of train replacement buses and construction works. There will be limited car parking at Sunshine and West Footscray stations. Please follow all safety signage and instructions in place.

Bikes and pets

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Accessibility

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on 1800 800 007 or speak to our staff at the bus stop for alternative transport to be arranged at no cost.

Delivering the Metro Tunnel

Thanks for your patience as we deliver major works on our roads and rail lines across Melbourne to prepare the network for the Metro Tunnel.

The Metro Tunnel will provide space on the rail network for over half a million extra trips to and from the suburbs during peak periods each week and reduce travel times by up to 50 minutes a day. It will also help take cars off our busy roads.

Plan ahead to avoid long delays

From 11.15pm Saturday 28 September to 9pm Friday 11 October, buses replace trains on the Sunbury Line.

Coaches will also replace V/Line services on the Ballarat, Bendigo and Geelong lines.

We estimate an additional 60 minutes will be added to most people's journey.

Please be aware that other disruptions are occurring on the network.

To help you plan ahead, here are some tips:

- If you can, avoid the peak and consider alternatives where possible.
- Consider working remotely for the first or last two hours of the day, or work from home the entire day.
- Touch on and off on the metropolitan train network before 7:15am to receive free travel.
- Please be aware of more people using the roads, or an alternative line or route, if their usual journey is disrupted.
